Membership application

Dear All,

I have heard about the work that you do and would like to become a member.

I am informed of the membership rules and regulations. Furthermore, I have also noted that the membership fee is 10,00 euros per year.

For your convenience, I am authorizing you to collect this contribution plus an additional donation of _____ EUR annually from my bank account via a direct bank debit. I am enclosing the completed and signed authorization in order to collect claims via direct bank debit. The authorization can be revoked at any time and does not obligate my bank to make the payment.

I will transfer the membership fee (incl. donation, if applicable) annually by October 15th.
